FOR IMMEDIATE RELEASE

OK COUNTY GOP PRODUCES LEGISLATOR SCORECARD

During the months of June through September, the newly-established Oklahoma County GOP (OKCOGOP) Platform Committee met to produce a 'Score Card' for Oklahoma County Republican legislators based on 38 bills introduced during the 2021 legislative session. The Committee chose bills covering a wide variety of issues in order to establish a baseline for production of a yearly measure by which to compare the votes of Oklahoma County Republican legislators against the tenets of the OKCOGOP Platform.

This year's OKCOGOP Scorecard highlights the extreme ideological gulf between Oklahoma County Democrats and Republicans – especially when viewed alongside scorecards from Oklahoma conservative stalwarts, the OCPA and the Oklahoma Constitution newspaper.

Only 7 out of 20 (35%) Republicans scored less than 80% on all three indices, while 100% of Democrats (14) scored less than a 30% average on the same bills.

The OKCOGOP Platform Committee looks forward to working with Oklahoma County Republicans on impactful legislation during the 2022 legislative session while continuing to educate their members and legislators alike about the importance of our County GOP platform.
